

# Need a LinkedIn Makeover?

Does your profile accurately reflect your personal brand so that you can attract more customers, the right career opportunities, and/ or the best projects?

If not, **let us create your best LinkedIn profile ever.**

- a fully re-written summary section that will align with your current goals
- customized feedback on areas you need to improve on your profile with suggestions of how to do it
- one fully written post and five headline ideas of posts you should write to reach your goals (not sure how to "post" on LinkedIn, we'll teach you that too)
- a review of your current recommendations along with suggestions of who to request a recommendation from and how to do it (we'll even write the copy for the request)
- 30 minute optional Q&A to discuss your LinkedIn strategy
